

Name: _____

COUNTRY PARK

Garden Bug Hunt

Why not look for some bugs in your garden or on a walk? How many of the bugs below can you find? Keep track with a tally in the boxes below!

Millipede

Centipede

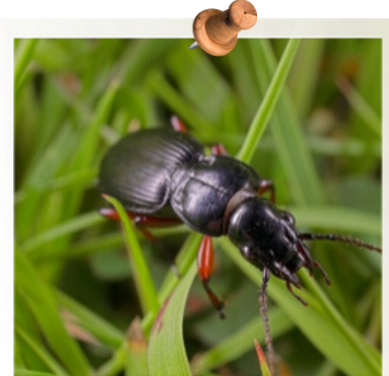

Woodlouse

Garden Snail

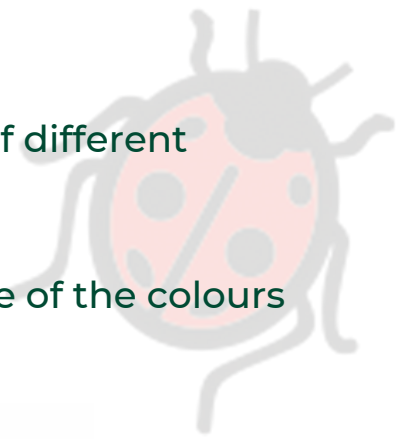

Slug

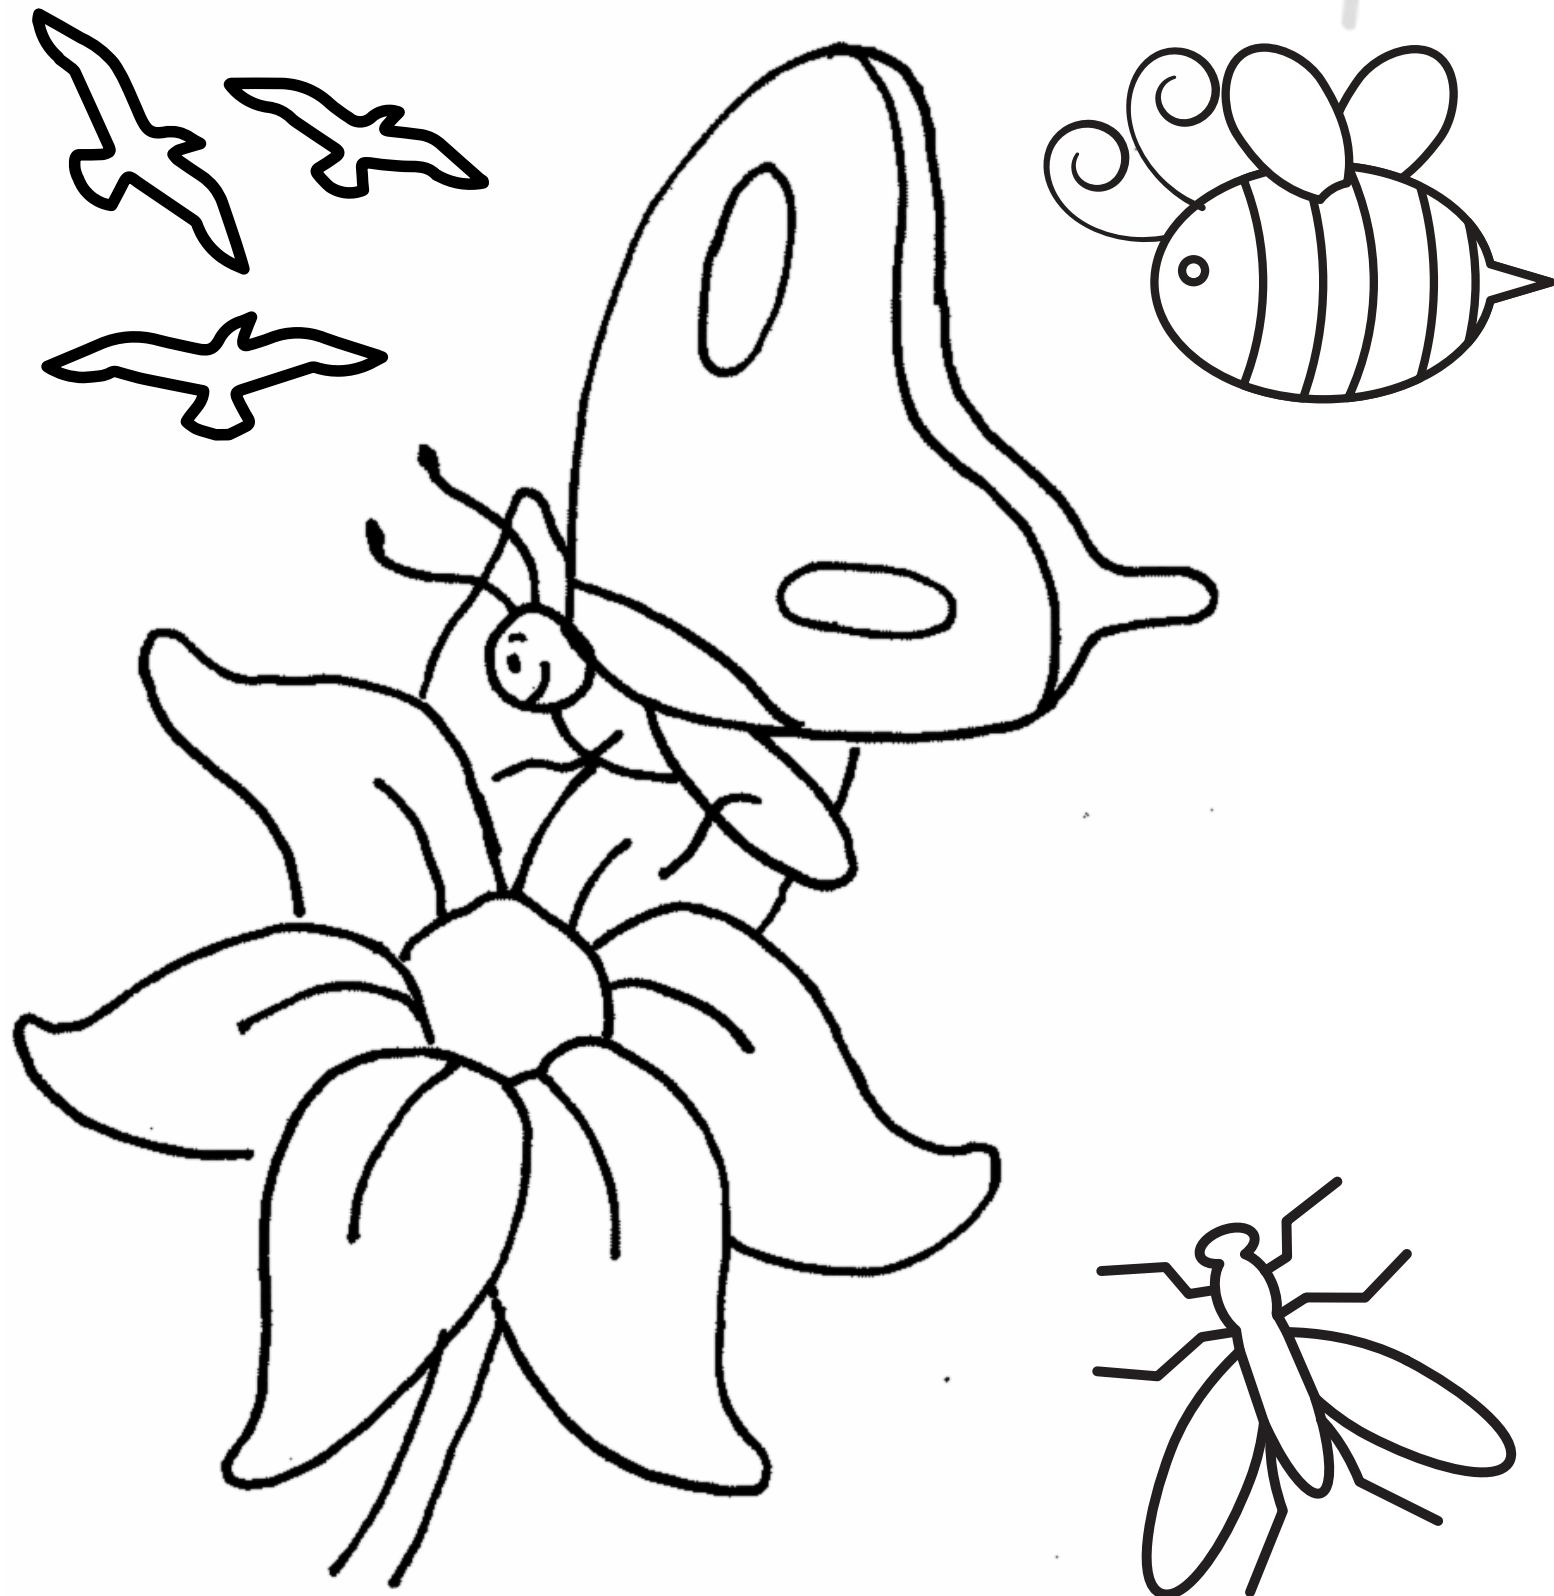

Beetle

In your garden or out on a walk you will have seen lots of different wildlife and creatures of different colours.

Why not try colouring in this butterfly on a plant in some of the colours you have recently seen?

Did you find any bugs that were not shown on page 1?

Why not make a record of them here and let us know what other bugs you have found in your garden or on your walk!

Draw the bug you found	How many legs?	Where did you find the bug?	Can you use 2 words from below to describe its habitat?	What is the name of the bug?
