

# COUNTRY PARK Shadow Puppets

1.

Print out the pack on paper or card and then cut out the templates provided with help from an adult

2.

Find a strong light such as torch, desk or head lamp. Shine the light against a lightly coloured wall or piece of white paper.

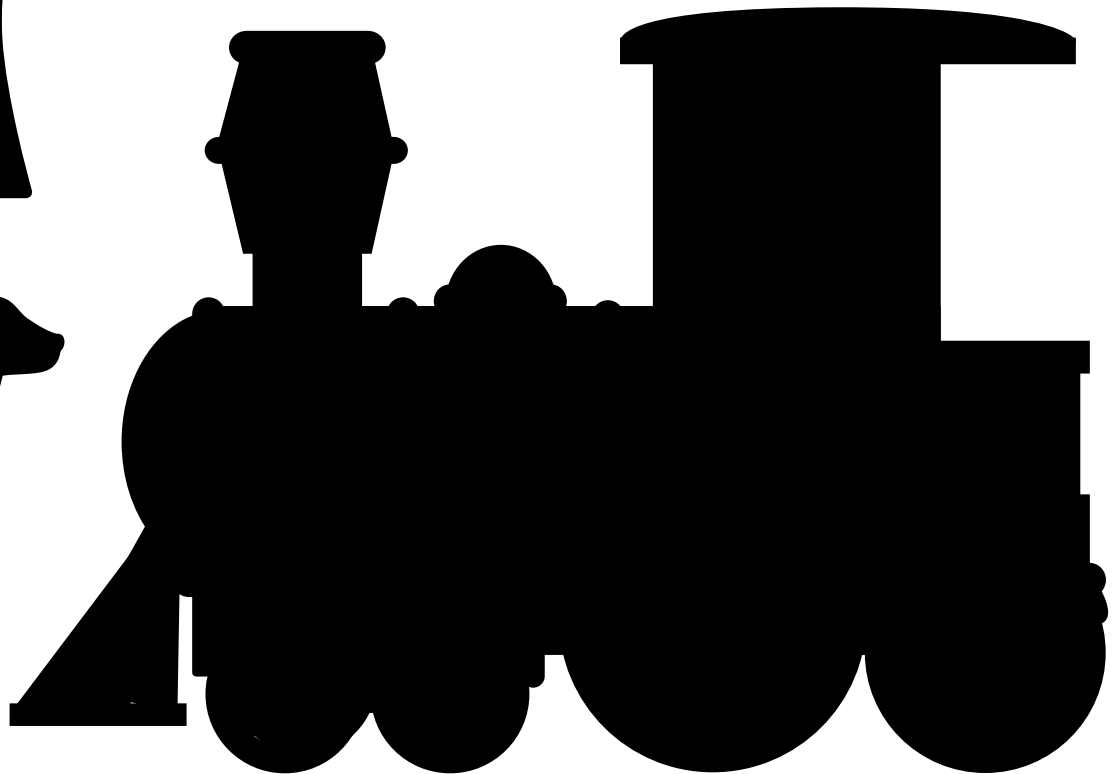

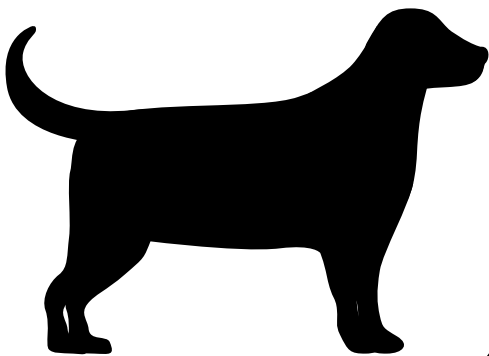

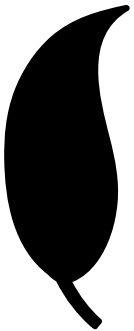

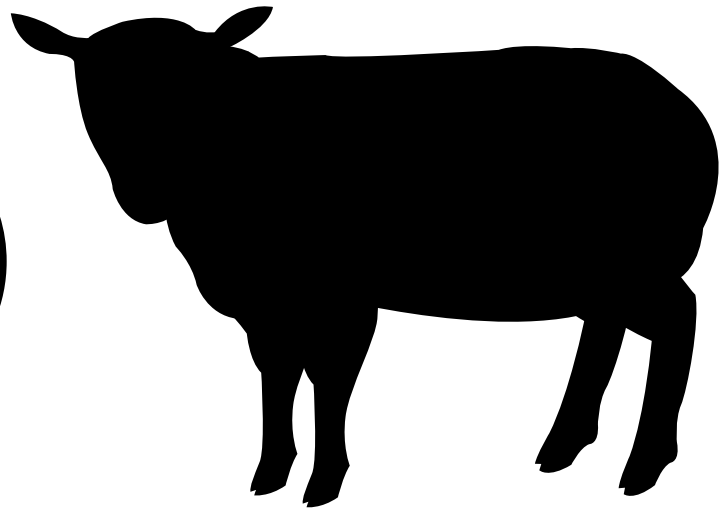

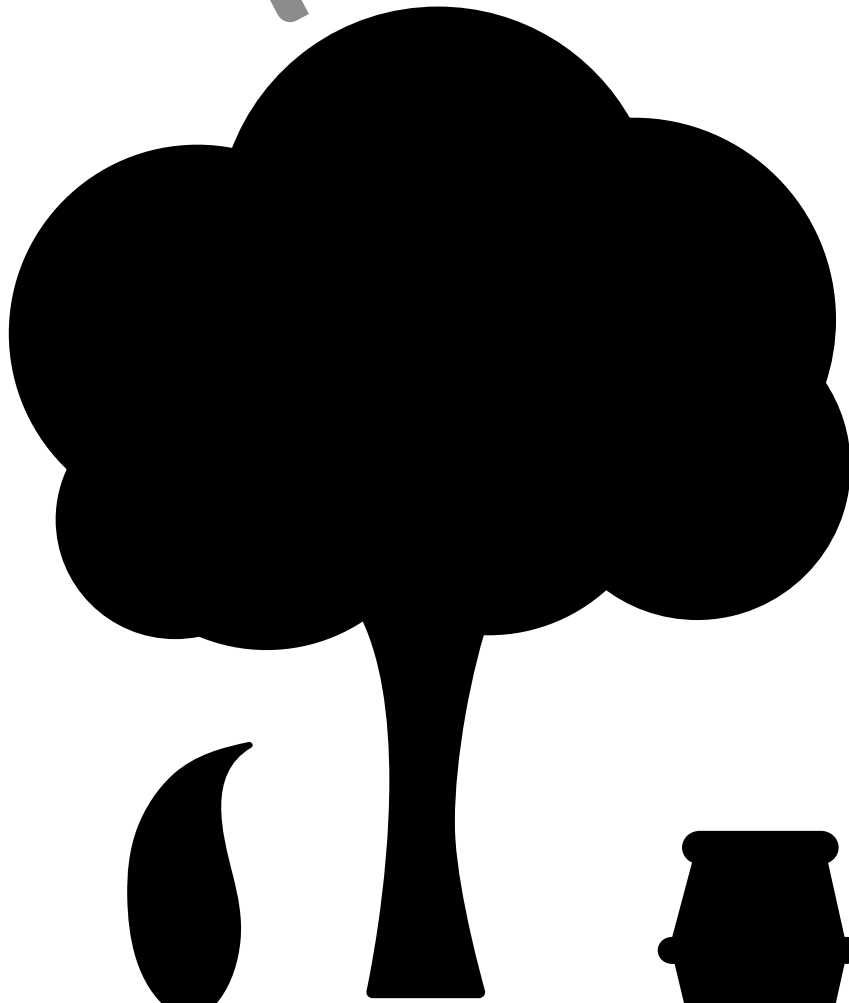

3.

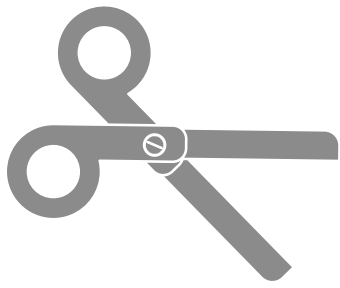

Hold your puppets in front of the light source to create your Welly Park Story.

Make sure you share your stories with us!

Why not also try...

## Shadow Drawings

1.

Find your favourite toys/objects and fun shapes that you would like to draw!

2.

Find a lightsource like a bright window, a torch or a lamp and line up your toys and objects in front of the light.

3.

Lay down paper and draw around the shadows!
