

COUNTRY PARK

Dinosaur Dig site

Welly Park Needs your help!

Since you've been gone archaeologists have been hard at work in the Dinosaurs area of Wellington Country Park discovering hidden fossils! Can you help them by completing the activities in this activity pack?

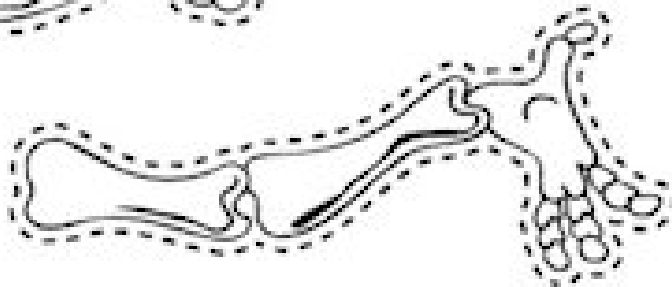

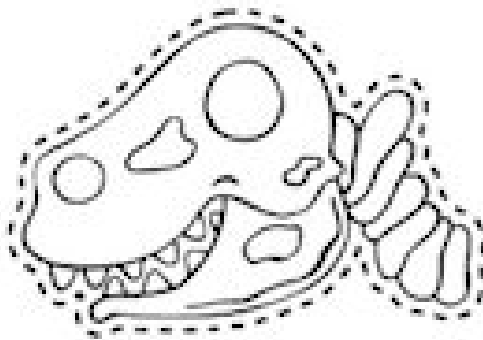

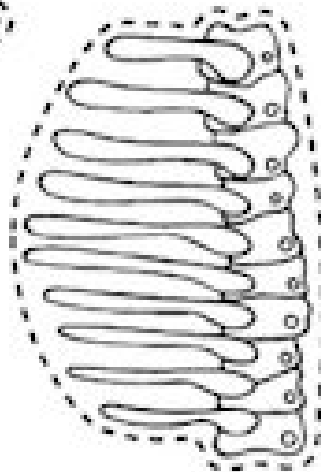

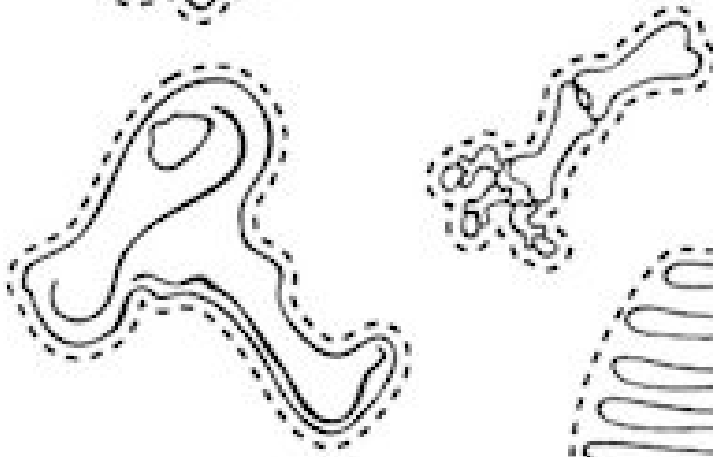

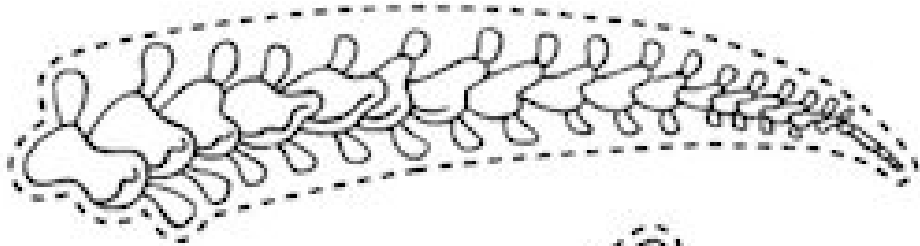

COUNTRY PARK

Dinosaur Dig site

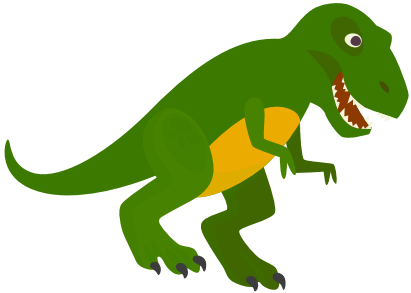

Can you become an archaeologist and help at this dig-site for dinosaur fossils? The first thing we need you to do is uncover these bones. Can you cut them out and stick them together with pins or glue (ask an adult to help). Can you identify what kind of dinosaur it might be?

COUNTRY PARK Dinosaur Dig site

Phew! Now that you have helped in putting that fossil back together there are other fossils that need your attention. However, some of the archaeologists fact cards are incomplete can you complete them below using the internet or books to fill in the information?

Fact Card 1	Picture
Dino Name:.....

Fun Fact:.....	

COUNTRY PARK

Dinosaur Dig site

Using those completed cards can you identify these fossils that were found earlier?

Fossil Specimen 1

Fossil Specimen 2

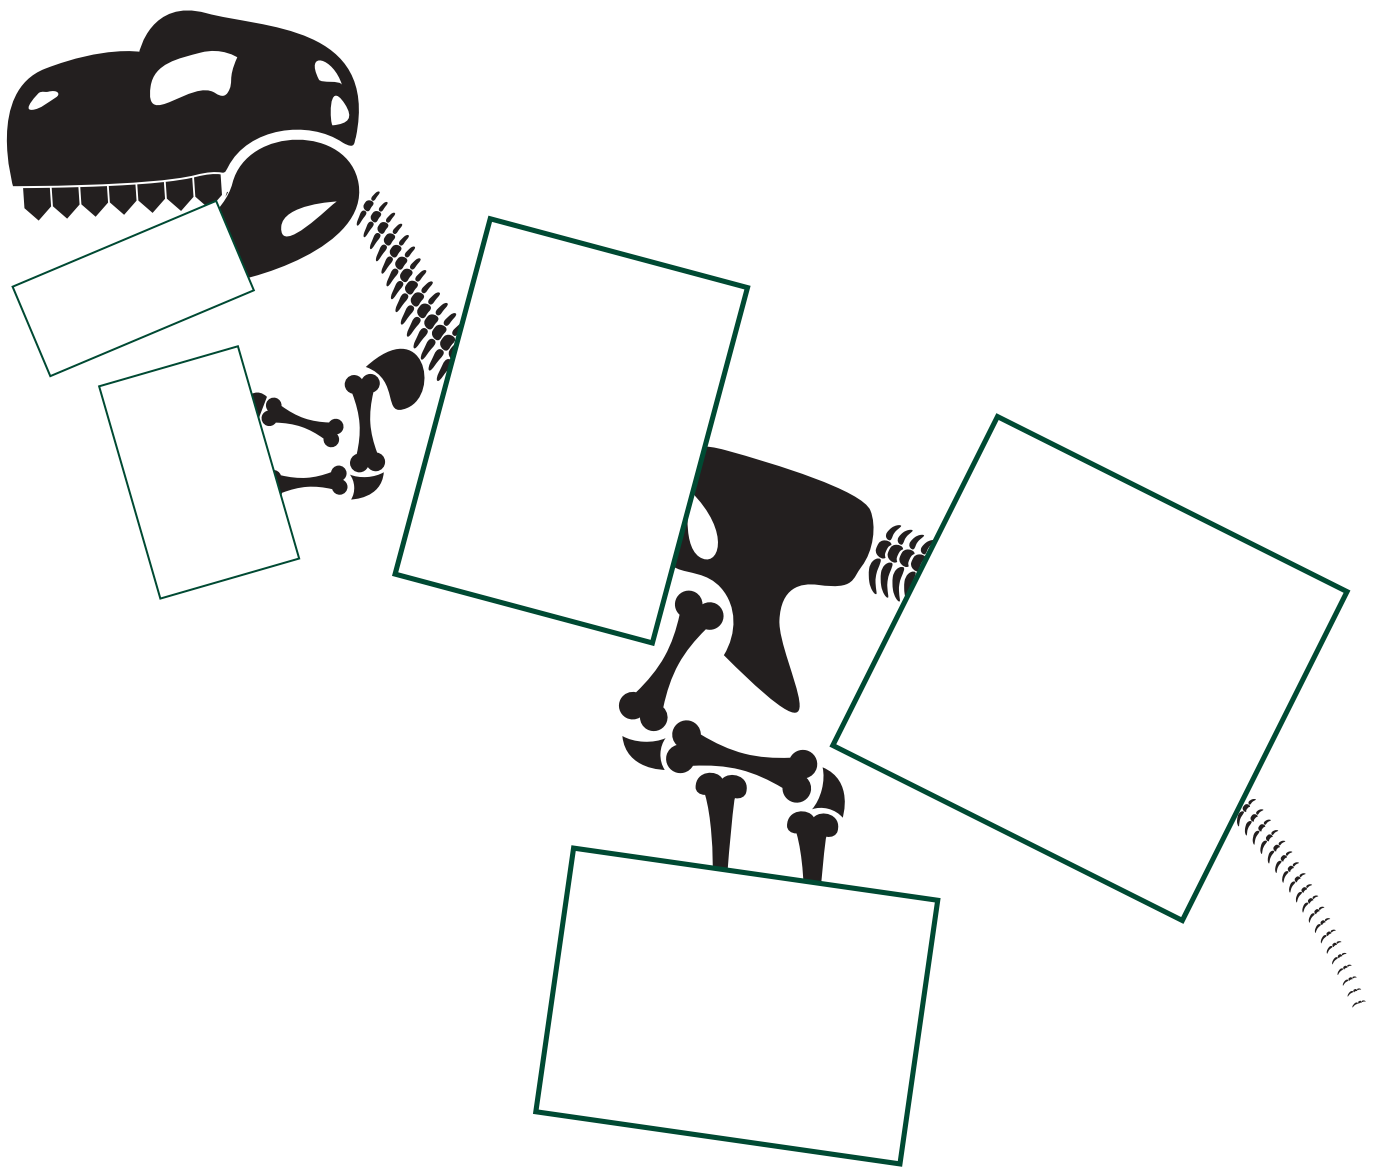

COUNTRY PARK

Dinosaur Dig site

While you were completing the identification fact cards, some archaeologists uncovered an incomplete fossil! Using what you now know from the cards can you fill in the gaps in the fossil so we can try and identify what type of dinosaur it might be?

COUNTRY PARK

Dinosaur Digsite

Thanks for all your help on the digsite, you've definitely earned your wellington archaeology badge! Make sure to print it, cut it out and wear it with pride. I'm sure the archaeologists will need your help again soon...
