

COUNTRY PARK

Sensory Crafts

Do your little ones love your senses to explore, play and learn? This pack is perfect for them, with ideas of how to enhance your sensory play at home.

In this pack you will find instructions for the amazing muddy farm animals activity and our taste and baby safe sensory foam.

WELLINGTON COUNTRY PARK

Muddy Farm Animals

Things you will need:

- Chocolate pudding mix
- Shredded Wheat (or another, similar looking cereal)
- plastic farm animal toys
- plastic and metal tubs
- sponges, bubbles and water

1. Mix up the chocolate pudding mix following the instructions, this becomes the "mud" for the animals to play in
2. Add the shredded wheat to make hay for the animals to enjoy.
3. Next to this tub set up a clean water station in another container, with some washing up liquid.
4. Time to play! Get those animals nice and muddy and then give them a good cleaning bath in the clean water.

Taste Safe Sensory Foam

Things you will need:

- The liquid from 1 400g can of chickpeas drained into a pot
- 1/4 TSP Cream of TarTar
- Food Colouring (optional)

1. Measure out all the ingredients you need and save the chickpeas for later!
2. Put all of the ingredients into one pot
3. Mix with electric beaters or a stand mixer (or a hand-held whisk if you're feeling strong) and whisk until firm peaks form when you pull the whisk out.
4. Now it's already time to play! Pick some of your favourite toys to explore this Sensory Foam with.
5. Parents it might be a good idea to lay some paper on the table just in-case!
