Space Crafts

Check out some of our space themed crafts ideas that are out of this world!

Make an alien stick creature, paper plate UFO and much more!

Alien Headband

Things you will need

- Paper to make your headband
- 2 x pipe cleaners or similar (why not try a twig?)
- Paper or card to make eyes
- Lots of bits and bobs to decorate your headband

Instructions

1. Make a headband using paper to be able to fit on your head - ask an adult to help you
2. Decorate your headband
3. Using some paper, cut out 2 large eyes
4. Stick your eyes on to the end of your pipe cleaners or similar
5. Stick your eyes to your headband

Space Masks

Things you will need

- A mask template
- Wool or ribbon
- Lots of bits and bobs to decorate your mask

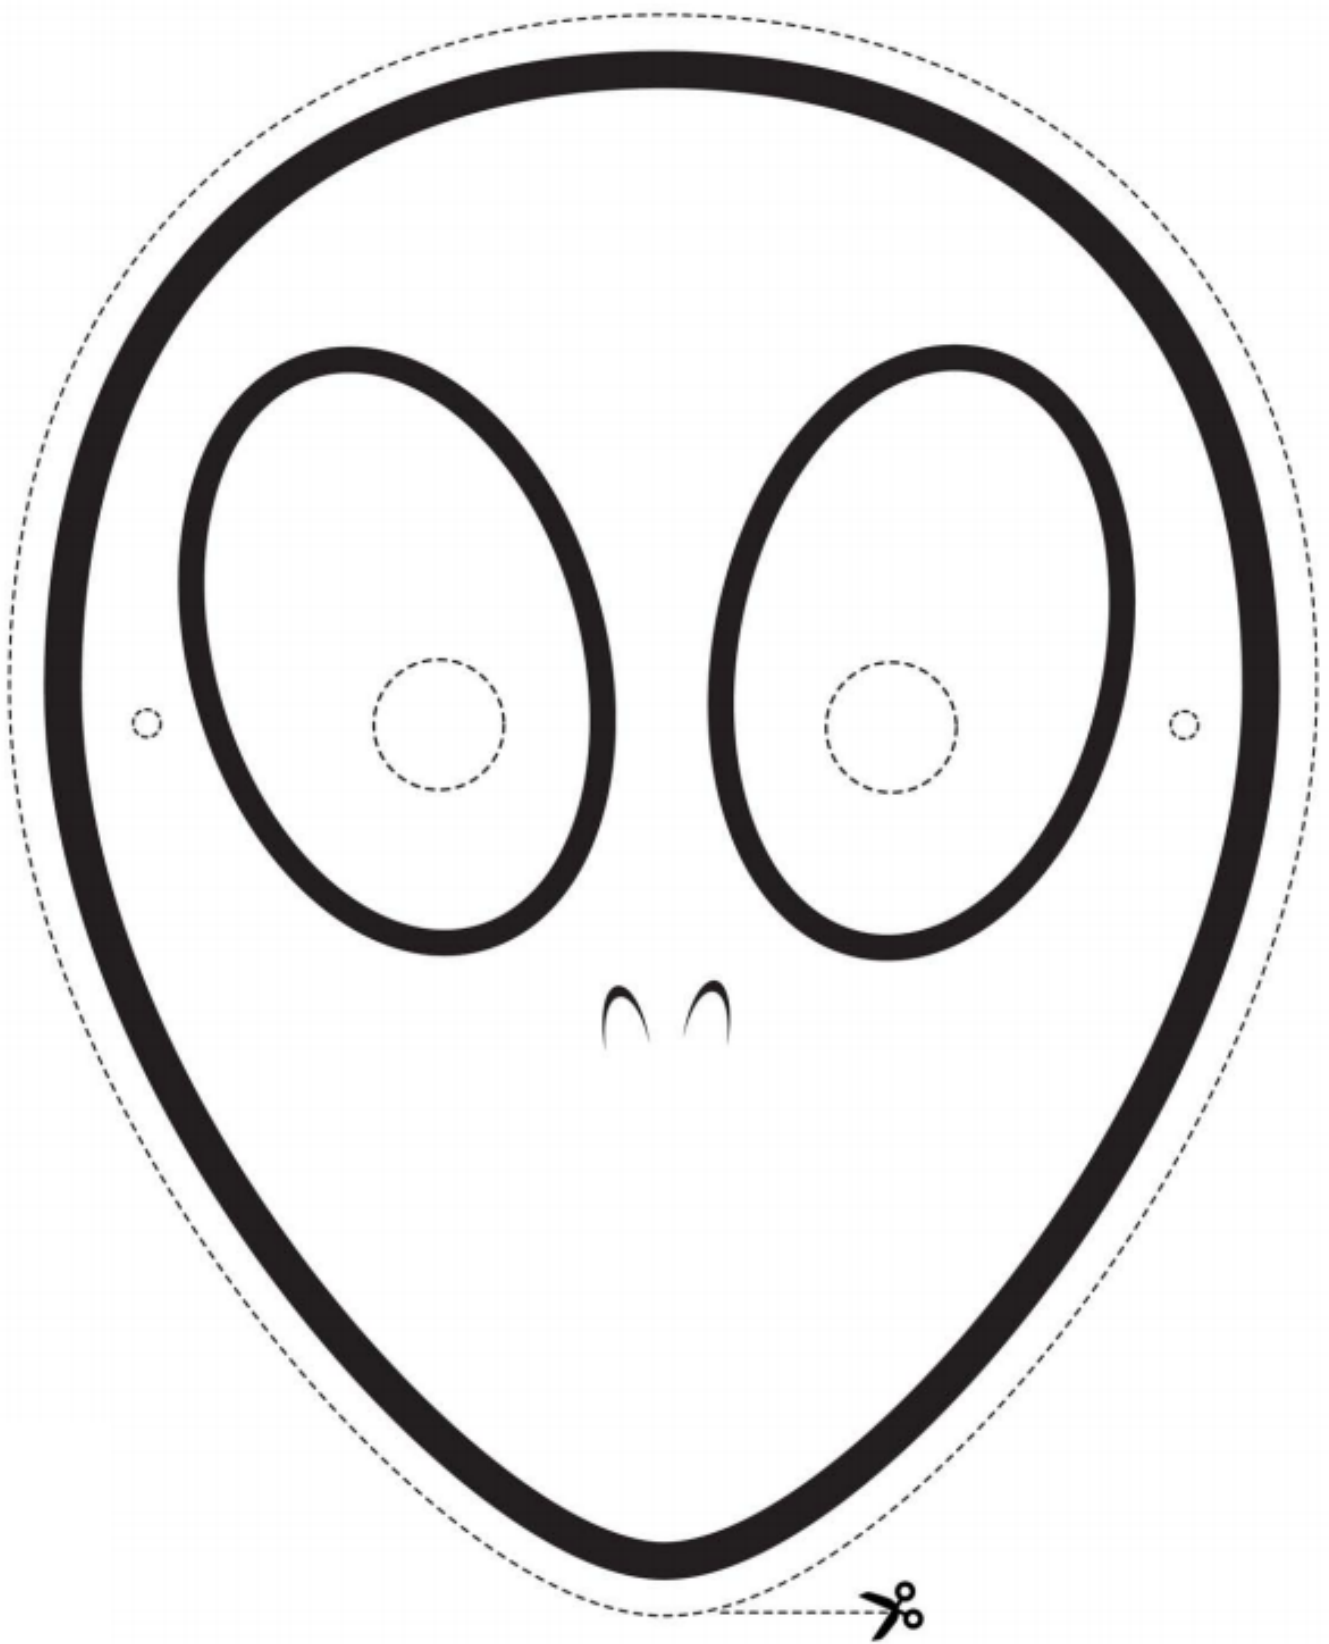

#wellypark

Instructions

1. Take a mask template or you could draw your own
2. Decorate your mask
3. Carefully cut out your mask
4. Using a hole punch, make a hole on either side of your mask and attach your wool or ribbon to make a headband

Alien Stick Creature

Things you will need

- An Alien template
- A wooden lolly stick or a twig
- Lots of bits and bobs to decorate your aliens

Instructions

1. Use an alien template or have a go at drawing your own alien
2. Decorate your alien
3. Carefully cut out your alien
4. Stick your alien to the top of your wooden lolly stick

Don't forget to ask an adult to help if required!

Paper Plate Spaceship

Things you will need

- An Alien template
- A wooden lolly stick or twig
- A paper plate
- A piece of card or paper
- Lots of bits and bobs to decorate your spaceship

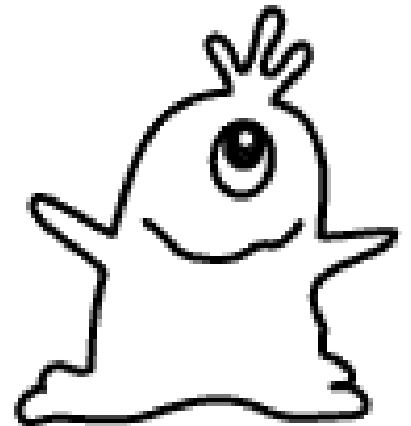

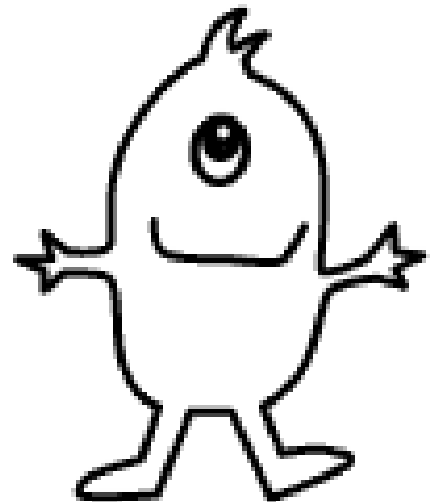

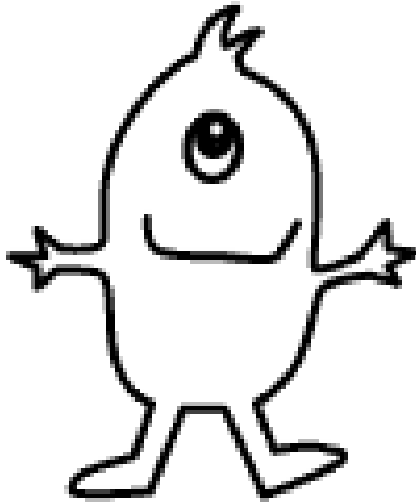

Instructions

1. Take a paper plate and fold it in half. Decorate your plate. This will be the bottom of your space ship
2. Take a separate piece of card or paper and cut out a big circle. Stick this to the middle of your plate for your alien to sit in
3. Decorate and carefully cut out your alien
4. Stick your alien on to your spaceship

Don't forget to ask an adult for help!

COUNTRY PARK

Planet & Rocket Mobile

Things you will need

- Planet template
- A paper plate
- A piece of card or paper
- Wool or string
- Lots of bits and bobs to decorate your planets and rocket

Instructions

1. Take a paper plate and decorate it to look like the nights sky.
2. Take a planet template sheet and decorate your planets. Carefully cut them out when you have finished.
3. Using a hole punch make a hole at the top of each planet. Use wool or string to hang them from your nights sky.
