

COUNTRY PARK

Window Display Crafts

Window Wanderland is an event hosted around the UK aiming to connect people by turning the streets into amazing art galleries!

We decided to get involved and made a 2 story dinosaur window display to show off the magic of Wellington Country Park. You can make your own at home too by following the easy instructions in this pack.

Window Display Instructions

Things you will need:

- Scissors
- Tissue paper
- Sellotape
- Printed templates for your design (provided)

1. Print off the templates provided in this pack
2. Cut out the templates and any other silhouettes you want to add to your window design
3. Using the tape, stick your designs on to your window
4. Once your silhouettes are stuck to the window, stick the tissue paper onto the back of your design making sure its flat to the window
5. Make sure to display your design with the lights on inside for the best effect
