

COUNTRY PARK

The Wellington Country Park Story

Wellington Country Park

is a big park in the
countryside.

It is a place where I can
play, see and do lots of
things

When I visit **Wellington Country Park** I might see

The Reception Building

Lots of things to play on

The Splash Zone

The Train

When I visit **Wellington Country Park** I might see

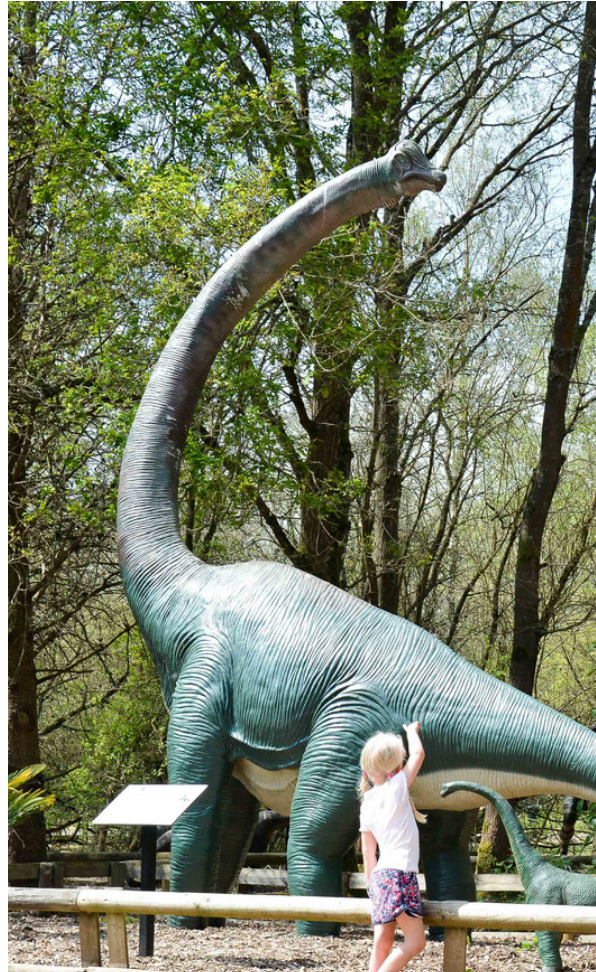

The big lake

Lots of grass and trees

Big models of dinosaurs

When I visit **Wellington Country Park** I might see

The Wellington Country Park staff

They wear a uniform like this;

If I need help during my visit, I or whoever is with me can ask them

When I visit **Wellington Country Park** I might hear

Children playing, laughing or shouting

Dinosaur sounds on the dinosuar trail

Animal sounds in the Animal Farm

Ducks quacking

When I visit **Wellington Country Park**

If I need to be somewhere quiet during my visit

I can go to the Sensory Room with my family or whoever is with me

When I visit **Wellington Country Park** I might touch or feel

Soft bark under my feet

The grass I walk along

Sand in the sandpits

Water in the Splash Zone or Waterplay area

When I visit **Wellington Country Park** I might taste

The food in the cafes

Our picnic if we have bought one

When I visit **Wellington Country Park** I might smell

The watery smell of the lake

The trees in the woodland

The food in the cafes

Animal poo in the Animal Farm!

COUNTRY PARK

**Most of all,
Wellington Country
Park is a place
I can have fun!**
